

**REMARKS**

The undersigned thanks Examiner Campen for the telephonic interview conducted with the undersigned on June 4, 2012. During the interview, proposed claim amendments provided by the undersigned were discussed with revisions thereto. At the end of the interview, the Examiner indicated that the amendments submitted herewith overcome the outstanding rejections of claims 1-23. The Examiner further indicated that newly-added claims 42-57 are withdrawn as being directed to a non-elected invention, and thus, needed to be canceled with the understanding that these claims may be pursued in a divisional application. The application is in condition for allowance, and an early notice to that effect is requested. Should there be any remaining issues, the Examiner is invited to contact the undersigned at the telephone number below.

The Commissioner is hereby authorized to charge any deficiency, or credit any overpayment, in the fee(s) filed, or asserted to be filed, or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Account No. 14-1140.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
